## Show Our Veterans Some (G)LOVE This Valentine's Day!

Just in time for the most love-filled day of the year, you have the opportunity to show a little extra kindness to the 600 men and women veterans who call a VOA-GNY residence "home". Please consider creating cards with heartfelt messages that we can deliver to every veteran in our care.

This year we hope to warm their hands and hearts as well. Show our vets some love this February by donating gloves, hats, and scarves to help make their winter warmer, and to let them know you care.

Creating cards and collecting gloves, hats, and scarves is a great team-building opportunity to organize in celebration of the **Martin Luther King Day of Service**.

## Relive A New York Winter's Eve

Thanks to the support of more than 400 guests, Volunteers of America-Greater New York's **23rd annual A New York Winter's Eve** gala was a great success, raising important funds to benefit our more than 80 social service programs. Your generosity will impact the lives of tens of thousands of individuals and families in need in our community.

We are especially grateful to our *Spirit of the Founders* honoree, Wells Fargo, and Robert DiDiano who announced a generous **\$100,000 donation** the evening of the event.

You can make a positive impact within your community.  
Consider making a donation to VOA-GNY!

**81 cents of every dollar** goes directly to our programs,  
making a difference in the lives of our neighbors in need.
